

***Grocery store and supplier employees
are helping us to stay strong
during the COVID-19 pandemic***

- When COVID-19 shut the rest of the world down, grocery stores and food suppliers stayed open.
- Food retailers and suppliers work to keep everyone socially distanced.
- Hundreds of thousands of grocery store and supplier employees come to work daily to keep shelves stocked and to provide communities with essential services that help them survive and thrive.

Celebrate Grocery Heroes Day July 19
